DETAILED ACTION

This office action is in response to the amendment, filed 17 July 2007. Claims 1-42 are pending.

Reissue Applications

The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

Claims 1-42 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The declaration states that an error exists in the original patent in that claim 1 lacks the stated limitations. The amendment to the claims does not amend claim 1 to correct the stated errors. Thus, the overall scope of the claims is unchanged and the deficiency of is uncorrected.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.
